

## North Dakota State Electrical Board 2022 CEU class presentation outline

Title: "2020 NEC Code Requirements"

Presenter: Scott Halle  
Training and Compliance Administrator  
North Dakota State Electrical Board

This class will be presented 16 times at 8 different locations in North Dakota for ND licensed electricians. The class will be a classroom only presentation by the instructor, delivered through lecture and accompanied by a PowerPoint presentation and handouts to help emphasize understanding of different subjects by attendees. Course will be from 8:00 AM to 5:00 PM with an hour break for lunch.
