

Utah State University Eastern Blanding Campus 6 Hour Contractor Continuing Education Course

Objective: To provide quality, industry specific training for Utah Contractors seeking to renew licenses in 2017. Utah State University Eastern Blanding will provide contractors the opportunity to complete the required 3 hours of core and 3 hours of professional training to keep their licenses current in the state of Utah.

Course Length: 6 hours

Core Courses: 3 hours

Safety programs/updates, OSHA updates and requirements, construction site hazards recognition and prevention.

Professional Courses: 3 hours

Health insurance and health care reform, business liability and business auto insurance policies, construction contracts/law.

Attendance Requirements: to receive continuing education credit, students must attend all six hours.

Course Evaluation: At the conclusion of this course, the instructor will distribute a course evaluation. Course evaluations will be completed on the day of and returned to the instructor.
