About the Course

Course is designed for supervisors and company leaders to learn and review drug free workplace policy. During these challenging times of uncertainty it is important to recognize warning signs and potential safety risks. This presentation will help you learn how to identify an employee in need, how to proceed and when necessary to set up a reasonable suspicion test. In this seminar attendees will:

- Understand drug free workplace policy/law
- Learn role in reasonable suspicion
- Understand drug/alcohol testing and assessment
- Learn return to work requirements
