

SCOTT HILL

Instructor

800.922.2820

nttinc.com

Intro

Scott has gained a wide variety of qualifications and experience in the electrical, construction and manufacturing industries. Scott's industrial experience has been with the production of tobacco, lumber mills, commercial printing and automotive. His involvement has been in the area of controls, automation, robotics and electrical systems. He has experience from installation and maintaining automation equipment and designing and installing electrical systems mainly in southern Ontario, Canada.

Over the past 40 years Scott has been involved in Martial Arts. From being a student, world competitor to a head instructor of his own gym, Scott has not only learned discipline, but humility.
