

DARRELL OSTLER

Phone: 801.870.3472

dostler@wasatchelectric.com

www.linkedin.com/in/darrellostler

"Darrell uses leader and learner feedback to improve his training courses, and he employs tough assessment questions that require the participants to demonstrate they have internalized the concepts."
– Shaun Powis,
Training Director

"Darrell has a good understanding of our industry's regulations; he asked the hard questions and did the research to make sure our company remained compliant."
– Lynn Wallace, Manager
