

# Troy Riser

## Experience

June 2007 - Cache Valley Electric Logan, UT

Journeyman Electrician

- Electrical construction, presently working at Malt-O-Meal.

1990–June 2007 Autoliv Promontory, UT

**Maintenance Shift Administrator**

- Hired as a Journeyman Electrician, January 1990. Installed and maintained electrical and electronic equipment at Promontory Chemical Processing Facility.
- Promoted to Lead Electrician, January 1991.
- Promoted to Supervisor II, March 1993. Initially responsible for large electrical work orders, installation, and start up as the plant rapidly expanded. Responsibilities have increased and changed as the plant has matured. At the time I left, I was responsible for daily maintenance operations, first level supervision for 14 craftsmen.

1987-1990 Morton Thiokol Promontory, UT

**Journeyman Electrician**

- Performed electrical maintenance as part of a three person crew consisting of an electrician, millwright, and plumber.

1985-1987 Wood Electric Tremonton, UT

**Journeyman Electrician**

- Commercial and Industrial Electrical construction
- Projects included several new facilities at Thiokol, Defense Depot Ogden, Hill Air Force Base, and Salt Lake International Airport.

1980-1984

**Apprentice Electrician**

- Utah Licensed Apprenticeship. Contractors were Wood Electric, Lamb Engineering, Chewelah Contractors, and Electro Technical Corporation
- Commercial and Industrial Electrical construction.
- Projects at Western Zirconium, Thiokol, Nucor, Continental Lime, Chevron Phosphate, Dee Gold, La-Z-Boy, Smith's Food, Intermountain Indian School, Hill Air Force Base, Luke Air Force Base, and Defense Depot Ogden.
