

Bradi Frei Eardley

Owner and Developer of City Inspect

As the founder and owner of City Inspect, Bradi brings over 20 years of experience in delivering innovative software solutions to municipalities across Utah. For the past 12 years, she has been dedicated to developing and refining a comprehensive software suite, designed to streamline operations and enhance efficiency across various municipal departments including building, stormwater, public works, code enforcement and business licensing.

At City Inspect, their goal is to provide tailored solutions that meet the unique needs of each municipality, while also simplifying tasks between local governments and their communities. Bradi and City Inspect strive to make a positive impact by empowering municipalities to deliver exceptional services and fostering stronger, more connected communities.
