

Merle O. Hellickson

385-219-0900

Merle Hellickson is an Independent Consultant, Performance Coach and Trainer, affiliated with Equilibria and The Ovid Groupe.

Most of Mr. Hellickson's early career was spent in oil and gas working on and later managing drilling, work-over, completion, and fluid services operations throughout the western US and Alaska.

After earning his Master's Degree in Organizational Behavior he moved into organizational development, executive coaching, leadership development, teambuilding, training and coaching which he has been doing for the past 20+ years. Mr. Hellickson has led and served organizations in oil & gas, mining, manufacturing, government and higher education throughout the US and internationally in China, Thailand, Mexico and Argentina.

Some of his clients include Chevron, BP, Harley Davidson, Heil Trailers, Paccar, P&G, and many others.

His work has brought significant bottom-line results, improved leadership skills for many individuals, enhanced teamwork and resulted in better and safer working conditions in a variety of work environments.
