

Presenters Information

Dylan Franzke Bio:

Dylan Franzke has been serving as a Construction Stormwater Inspector with the Division of Water Quality (DWQ) since October 2024. Prior to joining DWQ, Dylan worked as a Hydrologist with the U.S. Forest Service and gained valuable experience in the private sector monitoring groundwater quality.

Dylan earned a Bachelor's degree in Water Resources with an emphasis in Hydrology from the University of Wisconsin–Stevens Point in 2020. Since then, he has been dedicated to advancing the understanding and management of water quality issues across various sectors.

Presentation Title:

“Conditions for Construction Storm Water Permit Coverage: CGP, CPP, and LEW's”

In this session, we will discuss the conditions for which Construction Stormwater Permit Coverage is required in the State of Utah. A brief overview of Low Erosivity Waivers and examples of projects that may qualify will be covered.
