

Lowell Reith

Objective	To work towards providing the training required today, for people to work in the electrical field as a productive and complete employee.		
Work experience	2001-Present:	Interstates Construction Services Inc. Sioux Center IA.	
	Training and Licensing Officer:	In charge of developing a DOL/BAT approved training program for the field electricians. Oversee licensing requirements and provide NEC update classes and provide answers for the field on code issues.	
	1988-2001	North Central KS Tech. College	Beloit, Ks
		Instructor/Department Head Electrical Technology	
	Was the first year instructor covering the basic theory and wiring methods for students. Moved up to the head of the department and second year instructor in 1992. Have worked with job placement; grant writing, outside jobs that the students worked on. Worked on updating equipment and curriculum for the program.		
	1988-1997	V & V Electric	Manhattan, Ks
	• Was the master electrician for the company. Worked on various residential, commercial, and light industrial projects.		
	1984-1988	Washington County Hospital	Washington, Ks
	• Was in charge of the electrical maintenance in the hospital and also helped maintained the overall building		
	1980-1984	Purser's Electric	Clifton, Ks
	• Worked as an electrician, doing residential and commercial installations. Also took care of the local elevators for their electrical needs.		
	1978-1980	Action Electric	Hanover, Ks
	• Worked as an electrician doing steel elevators. This included wiring the control panels as well as the motors for the grain legs, fans, and associated equipment.		
Education	1996-Present	Pittsburg State College	Pittsburg, Ks
	• I am working on finishing my BS degree in the next couple of years. I am taking classes each semester as my job allows. The rest of my classes do not require me to be on site to finish.		
	1996	Cloud County Comm. College	Concordia, Ks
	• Associates of Applied Science Electrical Technology		
	1978	North Central Ks Vo-Tech	Beloit, Ks
	• Diploma in Electricity		
	1976	Linn High school	Linn, Ks
	• Diploma
