

Darren Foster
13141 S Woods Park Dr.
Herriman, UT 84065

Married w/ one 13 year old daughter

Education;

BA Chemistry University of Colorado, Boulder 1990
CPMR (certified professional manufactures representative), Arizona State University, 2010

Work Experience;

Buche Carmco Sales, Denver Colorado. Jan 1990-April 1995

Outside Sales in the plumbing and heating industry as manufactures representative. I called on mechanical contractors and wholesalers. We represented 27 manufactures in the Colorado, Utah, New Mexico, Wyoming, and Montana. My first territory was Montana and Wyoming. In 1994 I was asked to move to Utah.

Rocky Mountain Integrated Solutions, Inc. April 1995-Present

Founded RMIS in 1995 as a manufactures representative serving the HVAC, Plumbing, radiant floor heat, and solar thermal industry. We strive to exceed principles expectations by building long term relationships with our customers. We currently have 5 employees and operate out of a 20,000 foot warehouse in Bluffdale, UT. We cover Utah, southern Idaho, and western Wyoming. We currently represent 17 manufactures. I have been teaching hydronics and solar thermal to the industry for over 20 years.

I am a member of AIMr, UPHCA, RPA, ASHRAE, ASPE, Utah solar association, and Hardi.

I have designed radiant heating systems for 23 years. I have designed solar thermal systems for 14 years. We are specialists in the apartment industry for combo heating.
