**Professional Experience:**

7-17-2006 – Current LDS Church	Adjunct Instructor 8-4-2011 Davis Technical College
-----------------------------------	--

Electrician and lead. Currently in charge of commercial and industrial wiring on job sites. Became a Journeyman Electrician out of high school and have enjoyed the trade. Continue to improve in my career and learn new things. Have an extensive knowledge of electrical fundamentals and theory. National Electrical code (NEC) and am able to teach the concepts to students and instructors. Construction and electrical safety is important and I make sure we teach this along with the skills.

**Personal:** Enjoy the outdoors hunting, fishing and family fun.
