

I have been plumbing for 10 years. Commercial and residential.

In that time I have worked for three different Plumbing Company's. I have done plumbing in Spec homes, parade of homes and also town homes as well as apartment complexes.

I have done commercial jobs in restaurants, churches and Deseret Industry buildings. I have also done countless hours of service calls.

I have served in many teaching callings and I am very personable. I feel that I would be a great asset to your program.

Sincerely,

Robert M Baxter
