**Target Audience:** Owners, Leaders, Foremen, General Foremen, Project Managers

**This course provides 1.5 Professional credit hours**

## Presenter

Jason Kidman – President – Owner, SOS Support

Jason Kidman, Owner and President of SOS|Support started his business in 2004 with the main role in I.T. consultant. He has over 20 years of professional industry experience. He hired his first employee in 2013 and now has a team of 10 people. He supports other businesses from small law offices or accounting firms with 2-5 people, to light and heavy manufacturing firms with up to 100 employees. He also has strategically implemented contractors: Engineers, NOC 24x7x365 services, and local specialists.

Jason will walk you through the reasons why you need an I.T./MSP Partner, current threats to all our businesses, and customized solutions for your unique business.
