

SCHEDULE A ADDENDUM TO THE SERVICE LEVEL AGREEMENT BETWEEN E-UTAH AND THE UTAH DEPARTMENT OF COMMERCE

This document will serve as the latest Schedule A addendum to the Service Level Agreement with the Network, e-Utah, adding additional Utah Department of Commerce, Division of Corporations and Commercial Code transactions or services to the Network, subject to Board approval.

AGREEMENTS

1. Access By the Network Manager Utah Department of Commerce, Division of Corporations and Commercial Code authorizes the Network Manager, to provide electronic access to information contained in the Utah Department of Commerce Business Registration Database, in accordance with this Agreement. Description of Service is as follows:

This service will allow businesses to view their business entity information as recorded in the Business Registration Database, and renew business registration online. A user may gain access to company information by entering a business license number and PIN issued by the Division of Corporations and Commercial Code and pay renewal fees online, using a credit card.

2. Record Classification and User Access Utah Department of Commerce, Division of Corporations and Commercial Code represents to the Network Manager the record classification: PUBLIC RECORDS

The Network Manager certifies that they will offer the following security and authorization for access to the application outlined above:

Users will be offered only those fields as designated by the Department of Commerce, Division of Corporations and Commercial Code.

Users will be required to authenticate before they use this service.

The Network Manager will conduct and store all payment transactions for this service on a secure server.

3. Record Supply Costs and Computer Programs. The Network Manager shall be responsible for costs and expenses in establishing access to the records and providing record transactions to Users and Subscribers, including without limitation, the cost for purchasing or developing and maintaining all programs used to interface with the Utah Department of Commerce, Division of Corporations and Commercial Code computer programs and to access the Records. Computer programs used by the Network Manager shall:
 - a. Protect information from unauthorized access;
 - b. Supply records to Utah Department of Commerce, Division of Corporations and Commercial Code on a timely basis in an accurate, understandable and logical format acceptable to Utah Department of Commerce, Division of Corporations and Commercial Code;
 - c. Be tested by the Network Manager and prototyped for Utah Department of

Commerce, Division of Corporations and Commercial Code review and approve before it is offered to the public.

4. Use messages. If required by Utah Department of Commerce, Division of Corporations and Commercial Code the Network Manager shall cause the Network to require Users to signify online that they will comply with any restriction on use of the records required by law, as amended from time to time. Such user agreement will be in the form of a use message displayed online, with a required positive response, all as captured in a log file, prior to the User being permitted to further search or view the record.

5. Subscriber Agreements. This service shall not require subscriber agreements.

6. Transaction Logs. Utah Department of Commerce, Division of Corporations and Commercial Code shall have access to the Network's Subscriber Transaction Log for the purpose of auditing the collection and dissemination of Utah Department of Commerce, Division of Corporations and Commercial Code records. Unless otherwise specified by Utah Department of Commerce, Division of Corporations and Commercial Code this Log shall contain the following data: Subscriber name, transaction data and time and type of inquiry/transaction.

7. Payment and Collection.

A Premium Service Charge is requested for this phase of the Annual Business Renewal application

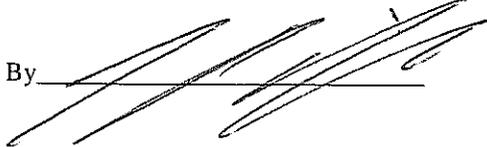

<u>Agency/Project/ Priority</u>	<u>Statutory Fee</u>	<u>the Network Charge</u>	<u>Total</u>
1.) Annual Business Renewal	\$10.00	\$1.50	\$11.50

8. Records and Finances. All Network documents and records maintained by the Network Manager relating to Utah Department of Commerce, Division of Corporations and Commercial Code, Division of Corporations and Commercial Code records shall be available for inspection, auditing and copying by the agency or other authorized representatives.

9. Efficiency Gain Calculation. The Utah Department of Commerce, Division of Corporations and Commercial Code and the Network will establish baseline cost for the processing name availability requests both prior to making the enhanced service available and after the service is made available to estimate the cost savings of offering the service.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their duly authorized officials or officers.

Re: Annual Business Renewal

Dear Lorena:

This letter will serve to confirm that the Department of Commerce, Division of Corporations and Commercial Code has fully reviewed the above referenced application and determined that the eUtah network has met the agency's pre-implementation specifications and requirements. The Department of Commerce, Division of Corporations and Commercial Code therefore authorizes the eUtah network to begin the implementation and/or roll out of the application to agency customers.

At the Department of Commerce's request, the Annual Business Renewal service will be generally rolled out to the Department of Commerce customers and will not undergo beta testing. The Department of Commerce therefore understands and accepts that the service may experience unforeseen problems in its initial implementation.

The Customers will be assessed a \$11.50 charge to utilize the the Annual Business Renewal application.

Please sign below indicating that the Department of Commerce's authorization to begin implementation of the Annual Business Renewal application. We thank you for your cooperation and continuing support of the eUtah network.

Very Truly Yours,

Ric Brown, General Manager

The above letter represents the understanding of the Department of Commerce, Division of Corporations and Commercial Code regarding authorization to implement the Annual Business Renewal application offered through the eUtah network.
