

**SCHEDULE A ADDENDUM TO THE
SERVICE LEVEL AGREEMENT BETWEEN UTAH INTERACTIVE
AND THE UTAH STATE TAX COMMISSION**

This document will serve as the latest Schedule A addendum to the Service Level Agreement with the Network, Utah Interactive, adding additional Utah State Tax Commission transactions or services to the Network, subject to Board approval.

AGREEMENTS

1. Access By the Network Manager Utah State Tax Commission authorizes the Network Manager, to provide electronic access to information contained in the Utah State Tax Commission Title, Lien and Registration Database , in accordance with this Agreement. Description of Service is as follows:

This service will allow users to access certain portions of the Motor Vehicle Title, Lien and Registration Database. A user will be able to search by a License Plate number, Vehicle Identification Number, or name to retrieve a record. If a match is found, the record will display to the user except in instances where the record requested is identified as a protected record. If a protected record is requested the user will receive a message that stating that the requested record is protected and is not available for review.

There are certain classes of individuals identified by the Utah State Tax Commission who are eligible to have access to protected records. These users, after identifying themselves as eligible, will be placed in a user group that will allow them access to protected records.

2. Record Classification and User Access Utah State Tax Commission represents to the Network Manager the record classification: _____

The Network Manager certifies that they will offer the following security and authorization for access to the application outlined above:

Users will be required to register with the network through the subscription agreement and issued a unique username and password. This username and password will be required to access the service. The application will allow access to only those records to which the user is eligible to access as established by the Utah State Tax Commission.

3. Record Supply Costs and Computer Programs. The Network Manager shall be responsible for costs and expenses in establishing access to the records and providing record transactions to Users and Subscribers, including without limitation, the cost for purchasing or developing and maintaining all programs used to interface with the Utah State Tax Commission computer programs and to access the Records. Computer programs used by the Network Manager shall:

- a. Protect information from unauthorized access;
- b. Supply records to Subscribers on a timely basis in an accurate, understandable and logical format acceptable to Utah State Tax Commission;
- c. Be tested by the Network Manager and prototyped for Utah State Tax Commission review and approval before it is offered to the public.

4. Use messages. If required by Utah State Tax Commission, the Network Manager shall cause the Network to require Users to signify online that they will comply with any restriction on use of the records required by law, as amended from time to time. Such user agreement will be in the form of a use message displayed online, with a required positive response, all as captured in a log file, prior to the User being permitted to further search or view the record.
5. Subscriber Agreements. The Network Manager shall obtain initial written agreements from all Subscribers that they will comply with any other applicable federal or Utah laws, regulations, or policies relating to record use and confidentiality. Such agreements shall be maintained by the Network Manager for inspection by the Utah State Tax Commission.
6. Transaction Logs. Utah State Tax Commission shall have access to the Network's Subscriber Transaction Log for the purpose of auditing the collection and dissemination of Utah State Tax Commission's records. Unless otherwise specified by Utah State Tax Commission, this Log shall contain the following data: Subscriber name, transaction data and time and type of inquiry/transaction.
7. Payment and Collection.

A Premium Service Charge is requested for this phase of the TLR record access. A subscription to the Network would be required to access this application.

- a. Collection: The cost to the public for a Utah State Tax Commission TLR records is set by statute and is currently \$2.00. The Network Manager shall be totally responsible for the collection of payments from Users and Subscribers according to the chart below. No additional amounts may be charged by the Network Manager for the identified records without the prior written agreement of the Utah State Tax Commission and the Network Board. The fee charged by Network represents a fee for services to gateway system users. The Network hereby represents to the Utah State Tax Commission that it believes the following charges will fairly and reasonably recompense the Network Manager in order to make the Master Contract a success:

<u>Transaction</u>	<u>Statutory Fee</u>	<u>USTC Amount</u>	<u>Network Amount</u>
TLR Requests	\$2.00	\$1.00	\$1.00

- b. Payment: Payments of the USTC amount (currently \$1.00) for each TLR record accessed (regardless of whether the Network Manager has collected the amount from the applicable User or Subscriber) shall be made from the Network via check or ACH transaction directly to a designated account or accounts furnished by Utah State Tax Commission. In addition, a payment/deposit statement shall be mailed to the following address or transmitted electronically as mutually agreed to the parties to:

Project contact: Randy Farnsworth

Statements shall reflect the quantity of the records accessed for the full previous month. The statement shall indicate the type of record access if more than one record is available.

- c. Payment Due Date. The Network Manager shall remit payments with the required statements to the Utah State Tax Commission for access during the previous month of Utah State Tax Commission records no later than the last working day of the month after the month in which the fees due to the Utah State Tax Commission were incurred.
